

MEMORY CHALLENGE

INTRODUCTION:

Are you the Master of your mind? Do you have ultimate control over your memory? Take the Memory Challenge to find out! Jump through a series of three rounds, and be able to recall the most words, numbers, and audio, in the correct order, to be crowned as the master of retention.

EVENT FORMAT:

ROUND 1:

Deck of Cards

- Participants are shown deck of cards to be memorized in 1 minute
- 5 min recall time
- Each card has 1 point

ROUND 2:

Inventors and Inventions

- Participants will be shown a list of inventors and their corresponding inventions.
- 2 min recall time

ROUND 3:

Code – Decode

- Participants are shown 20-25 words with their corresponding codes to be memorized in 2 minutes. Then they are provided few codes which they need to decode into sentences and few sentences which they need to code.
- 2 minutes recall time.

The winner will be selected based on the scores they receive in all three rounds.
