

SHUTTER

INTRODUCTION :

“A good snapshot keeps a moment from running away.” — Eudora Welty

To photograph is to hold one’s breath, when all faculties converge to capture fleeting reality. It’s at that precise moment that mastering an image becomes a great physical and intellectual joy. Wissenaire provides all the photographers out there, a platform to gear up and explore places and capture the moments in its vast permanent campus of IIT Bhubaneswar. So, Grab the opportunity and remove the shutters from your camera

PROBLEM STATEMENT :

Shutter consists of two rounds. The First round is an online event in which participants should submit photographs taken by them. The Second round is conducted during the Wissenaire in which a theme or problem statement will be given. Participants will be allowed to all the events shoot in Wissenaire and entries should be submitted on the third day of the festival. Only participants selected in the first round are allowed to participate in the second round.

EVENT FORMAT :

Round-1: (Online)

- Photos should be submitted online through the (link) that will make up your entry for the first round of this event.
- The Photographs must meet the “Photograph Requirements,” described below.
- No particular theme for the photos.
- Each photo should have a caption.
- Photos should be taken using a camera of 3MP or more.
- Indication of specifications of photos is not mandatory.

WISSENAIRE

- Post Processing is allowed and if done, should send original image too. Entries will not be accepted if submitted via any other means.
- Limit one (1 or 2) entries per person.
- Subsequent entries will be overwritten and newest one will be considered, disqualifying the previous ones.
- Qualified Students will get a chance to take part in the second round.

Round-2:

- The Finalists should click pictures during the three days of the festival.
- Problem statement or Theme will be given during the festival.
- They will be allowed to all the events, guest lectures and mega shows of Wissenaire.

JUDGING CRITERIA:

During judging, a panel of expert photographers will evaluate and attribute a score to each entrant's photograph based upon the below-listed criteria.

- How original are the Photographs?
- How creative are the Photographs?
- How well do the Photographs fit the Problem Statement? (Second round)

Determinations of Judges are final and binding.

RULES AND REGULATIONS:

- Each participant should bring their respective college ID proof.
- Shortlisted finalists will be notified via email.
- Images of not more than 10MB in size must be submitted online and the organiser may request for higher resolution images subsequently.
- Shortlisted finalists will be notified via email if they need to submit their original images for judging.
- It must be an original work that does not contain, incorporate or otherwise use any content, material or element that is owned by a third party or entity.
