

IIT Bhubaneswar

The Annual Techno Management Fest

WISSENAIRE

A Squadron is a team of participants from their respective institute representing their college at all the events of Wissensaire, IIT Bhubaneswar.

Each Squadron will have its name same as that of Institute they are representing and a representative (decided by the team) and his/her decision will be final regarding any issues.

A Squadron MUST have at-least 10 registered members to qualify as a Squadron.

Squadron members on participating in any Workshop of Wissensaire'20 will earn certain number of alpha-points to their Squadron.

Internships will be given to **top performers** of workshop.

Squadron with highest alpha-points will win the "Most passionate Squadron" title and other exciting goodies and a certificate stating that the squadron belonging to their respective institute has participated passionately in most of the events of Wissensaire, IIT Bhubaneswar.

Squadron members on participating in any event of Wissensaire'20 will earn certain number of beta-points to their Squadron and on winning any competition, they will earn bonus points to their Squadron(the details of points are mentioned in page-2 of this document).

Squadron with highest beta--points will win the "Conqueror of Squadrons" Trophy along with exciting goodies. And a certificate stating that the squadron belonging to their respective institute/college has won most of the competitions of Wissensaire, IIT Bhubaneswar.

Squadron members on participating in any Yanthrix event of Wissensaire'20 will earn certain number of gamma-points to their Squadron.Squadron with highest gamma-points will win the "Yantrians" title and other exciting goodies and a certificate stating that the squadron belonging to their respective institute is the winner of Yanthrix Wissensaire, IIT Bhubaneswar.

If the team consists of more than 10 members, 600 points(200 alpha + 200 beta +200 gamma) will be added for increase in every 5 members. "The Supreme Squadron" title along with exciting goodies will be awarded for Squadron with highest alpha+beta+gamma points.

In case of a tie between two or more Squadrons for Best Squadron category the valuation is done considering the following factors in the exact preference order.

1. Total number of wins of the Squadron
2. Strength of the Squadron
3. beta+gamma points

In any case of any other disputes related to Squadrons, the decision of Team.
